**ODESIA SIGNS SERVICE AGREEMENT
WITH NATIONAL BANK FINANCIAL**

MONTREAL, May 14, 2007 – The ODESIA Group Inc. (“ODESIA”) (TSX-V ODS) is pleased to announce the signing of a service agreement with National Bank Financial (NBF) concerning the development of business intelligence tools (BI). The contract has a preliminary duration of three years with a possibility of extension.

“We are very happy to work with NBF, supporting their BI needs in the management and implementation of their services to individuals, corporations and institutions. The ODESIA Group offers an exceptional level of expertise and service in this field. We look forward to developing the solutions to their particular needs,” said Nicolas Bonnafous, President and CEO of ODESIA.

“This agreement will allow for an accelerated implementation of NBF’s business intelligence strategy and swifter reaction to business requirements”, confirmed Mr. Pierre Miron, Senior Vice-President & Chief of Information Technology.

The BI tools will operate on the level of data extraction (ETL) and creation of reports to assist in decisions concerning the control of cash flows, the correspondent networks and accounting for the treasury arm of the bank.

About Odesia Group

ODESIA Group is a Canadian-based international corporation specialised in BI solutions, decision processes and data warehousing for large corporations. The management team at Odesia has extensive knowledge and experience in leading the execution of BI processes in large enterprises. The team of close to 100 professionals offers a level of experience & services uncommon for smaller providers, supported by unique partnerships with BI service providers. The goal is to offer customers a complete solution whatever the technical challenge. For more information see www.odesia.com
